SAP® BUSINESS ONE

FROM THE WORLD'S LEADING PROVIDER
OF BUSINESS SOFTWARE SOLUTIONS

Over 60% of SAP® implementations are with small and midsize businesses like yours.

SAP Business One is the only business management solution for small and midsize companies that offers a single integrated system built for customer relationship management, manufacturing, and finance.

SAP Business One offers a low total cost of ownership by reducing the expenditures associated with modifications and upgrade cycles and by eliminating the costs associated with multiple systems.

SAP Business One provides an intuitive user interface and standard Microsoft Windows environment, helping users become productive quickly by significantly reducing the learning curve.

SAP Business One enables businesses to reduce implementation time and quickly realize the benefits of a modern solution.

For more than 30 years, SAP has been the leader in providing business solutions. With 12 million users and nearly 80,000 installations, SAP leverages best practices that will help your company meet your business objectives.
